Application Form**

2022 / 2023

Beauchamps High School

16-19 Bursary Fund Policy 2022/2023

What is the 16-19 Bursary Fund?

The 16-19 Bursary Fund helps 16-19 year olds continue in education, where they might otherwise struggle for financial reasons. It is made up of two parts – bursaries of up to £1,200 a year to the most vulnerable young people and a discretionary fund for the school to distribute.

The fund is a fixed and finite sum and allocations may not exceed the total sum available. The school has been allocated £7,802 to operate the Bursary scheme for 2022 / 2023.

Who is eligible to apply for 16-19 Bursary Funding?

Students following government funded full time or part-time courses, who are 16 years and over and satisfy one or more of the following criteria:-

- Students aged at least 16 and under 19 years of age on 31/08/22 who are in care, are leaving care, are in direct receipt of Income Support or are disabled and in receipt of both Employment Support Allowance and Disability Living Allowance in their own name
- Students who are economically or socially disadvantaged and at risk of not taking up or continuing in their education
- Students who have been in care, on probation, are young parents or are otherwise considered at risk
- Students who are asylum seekers
- Students who are refugees, who will have access to 16-19 Bursary Funding if they are in receipt of supportive evidence from the Department for Work and Pensions
- Students who are lone parents

Who is not eligible for 16-19 Bursary Funding?

- Students under 16 years of age or over 19 years of age on 31/08/22
- Students who do not meet the residency qualifications

How does the School assess applications and allocate 16-19 Bursary funding?

The 16-19 Bursary Fund is a limited fund and the school will prioritise applications. There will be 3 priority groups, categorised as high, medium and low.

High priority group

Students in most need aged under 19 on 31/08/22 and who fall into one of the following categories:

- Those who are currently in care (as defined by social services).
- Those who are leaving or have recently left care
- Those who receive Income Support or Universal Credit because they are financially supporting

themselves or financially supporting themselves and someone who is dependent on them and living with them such as a child or partner

- Those who receive Disability Living Allowance or Personal Independence Payments in their own right as well as Employment and Support Allowance or Universal Credit in their own right

Payments will normally be made on a termly basis.

Medium priority group

Students who fall into one or both of the following categories:

- The student is eligible for a free school meal
- The student lives in a household where the parent(s)/guardian(s) are in receipt of Income Support

Amounts paid will be subject to the number of students in the category and the availability of funds.

Financial support is dependent upon the student meeting the attendance target and behaviour criteria as specified in the Sixth Form Agreement.

Low priority group

Students who fall into the following category:

- Students who live in a household where the gross annual household income is less than £25,000

Those in the low priority group will be considered for financial support, subject to availability of funds, after those in the high and medium priority groups have been awarded funding

Financial support is dependent upon the student meeting the attendance target and behaviour criteria as specified in the Sixth Form Agreement.

What can the money be spent on?

Bursaries are intended to meet course-related costs needed to help a young person stay in education, such as the cost of transport, school meals, educational trips and essential course books and equipment. The bursary may also be used to meet childcare costs where the student is a parent.

If I am in one of the eligible groups what evidence will the school need to see?

If you are in care or a care leaver, the local authority will be able to provide a letter for the school confirming this.

If you are receiving Income Support, Income-based Jobseeker's Allowance or an Income-related Employment and Support Allowance, you can provide a letter from the Department of Work and Pensions setting out the benefit you are entitled to.

For low priority bursary awards, evidence relating to all household income will be required, such as:

- a full tax credit award notice or the appropriate replacement benefit letters relating to the period from April 2022
- pension credit letters relating to the period from April 2022
- current wage slips from the last three months
- P60
- Certified profit and loss accounts for the self-employed

Please photocopy the evidence before submitting your application.

How do I apply for the Bursary?

Application forms should be submitted to the Business Manager via the Finance Office no later than Friday 23rd September 2022.

Please use the application form attached to this policy, remembering to include evidence to support your application.

What happens to my application form?

All applications will be considered by a panel. The panel will comprise the Business Manager and the Sixth Form Lead. The panel will meet after the application closing date to assess claims and prioritise payments.

As the bursary fund received by the school is a fixed sum and not on a per student basis, Beauchamps High School may vary the amounts of its bursaries to fairly reflect the number of eligible students in the Sixth Form.

Payments to students will commence as soon as possible after the panel has made its decisions.

Payments will be authorised on a termly basis by the Head of Sixth Form who will monitor attendance, behaviour and progress and will only agree the payment when all the criteria are met.

Can I make an appeal with regard to my award decision?

If you wish to appeal against a decision not to make an award from the bursary or you feel that your actual award amount is unfair, you can appeal in writing to the Deputy Headteacher for a review. The Deputy Headteacher's decision is final.
