Year 6 Parents Applying to Secondary Schools

Important dates and advice from our Admissions Team.

12 September 2022

- Secondary school applications go live on the Essex County Council website, you can start your application now and **save it**.
- Attend all open evenings and take tours of your local schools.
- Look up your chosen school's admission arrangements which can be found on their websites, this will help you see where your child fits into their criteria.
- You will have six schools to list, these need to be in priority order, 1 being your favourite and 6 being the least. **Make sure you fill in all 6 choices**. Do not leave blanks as you could be offered the nearest available school for your child if they do not get any of their listed choices.
- Consider travelling time and the cost of getting your child to and from school each day.

31 October 2022 is the DEADLINE

Applications must be submitted by the deadline otherwise your application will be treated as late and you may not be offered any of your school choices.

You have until this date to edit and change your choices, remember to check your final 6 choices and **save it** on the Essex County Council website.

25 November 2022 is Moving House Deadline
