

# Beauchamps High School

## Sixth Form Code of Conduct

The governors, senior leaders and staff are incredibly proud of our sixth form students and our sixth form students should be equally as proud to be part of their sixth form.

The points raised below are a shared commitment to ensure our shared expectations continue to make ours, the sixth form of choice.

### All Sixth Form Students should:

Play a key role in promoting the ethos and core values of our school

Expect the highest standards of teaching and academic support and in return give 100% effort to studies in school and home/independent learning

Act as a role model to younger students in and around the school, particularly with:

- high standards of dress
- attendance and punctuality
- behaviour

Ensure that we are all safe in our school community by:

- having sixth form lanyard clearly on show
- always signing in and out of school when leaving the premises at permitted times, break and lunchtime only

Fully engaging in the wider life of our sixth form, including:

- Wednesday afternoon enrichment
- morning registration and weekly assembly
- talks and presentations from staff and visiting speakers
- community projects and charity events

### Sixth Form Areas

#### LP2

Silent work area

#### Sixth Form Study Area (PC6)

A quiet study area, *eating allowed only at break time and lunchtime*

#### LRC (back of library)

Quiet study area

#### East Hall

Social work area
