Top performer Eleanor, will go on to study English Literature, History and Psychology A levels at Beauchamps High School, while Oliver, top performing boy, will remain at Beauchamps to study Maths, Further Maths, Biology and Business Studies A levels.

Congratulations to all our successful students who have worked so hard over the years – their perseverance and dedication has been rewarded with a superb set of results. We are particularly excited that high numbers of pupils have chosen to remain at Beauchamps High School and attend the 6<sup>th</sup> form, taking advantage of the range of A Level and BTEC courses which we are now offering. Also thanks to the staff for their efforts and inspiration and to the parents for their continued support.
