

September 2019

Dear Parent/Guardian

Year 10 Maths and English Information Evening

I would like to invite you to attend a presentation for Year 10 parents on Wednesday 9 October 2019 at either 3.00pm or 5.00pm in the West Hall. The presentation will be led by Mr L Symes (Senior Teacher) and Miss J Cooper (Subject Leader of English) to help you understand the new style Maths and English GCSE exams and to provide you with advice on how best to support the learning of your son/daughter at home.

I highly recommend that you attend one of these presentations, so that you are better able to support us in ensuring that your son/daughter meets his/her full potential in their GCSE exams.

Your son/daughter's Maths and English teachers will also be available in the West Dining Area to discuss his/her progress. If you wish to discuss your son/daughter's progress, please use the usual booking system (booking sheet attached). In order to avoid long queues, please note that appointments can be made between 3.30pm and 6.00pm.

Please note that parking will not be available on the school site.

Please return the slip below to Student Reception by Friday 4 October to indicate whether you will be attending the evening.

Yours sincerely

M Harper
