Dear Parent/Carer

I am sure you are well aware that last evening, the Secretary of State for Education gave a public statement that all state-funded schools in England would be closed from the end of the school day on Friday 20 March.

He also indicated that all the GCSE, AS and A-level examinations due to take place this Summer, have been suspended; and that students would be credited for their learning in some other way.

Having indicated that all schools would be *closed*, he then indicated that they would be expected to remain *open* for the children of key workers and for those in various vulnerable categories – providing a safe place and access to meals. We are expecting a clear definition of 'key worker' today from the Cabinet Office. It will take time to determine the nature of this provision.

Although we have been anticipating such an announcement, and prepared for various scenarios, the limited details so far released raise considerably more questions than answers. You will all have your own legitimate concerns and queries.

The Secretary of State gave no undertaking that schools would be expected to sustain a pattern of normal learning during the closure; rather that any available staff would be expected to support other frontline efforts. Our school response is yet to be determined.

I will be working with my senior leadership colleagues, all staff and the local authority to clarify as best we can what this announcement means for the school, for our pupils and for you. I anticipate being able to give you greater clarity later today.

Thank you for your support and for your patience in the meantime.

For the next two days, pupil attendance is expected to continue as normal within the COVID-19 Public Health England guidance. The school remains open for all students in Yr10-13, unless students are self-isolating in line with recent guidance.

I thank you again for your anticipated support and hopefully will be in contact later today with more information.

Rest assured, I and all of my staff will do everything we can to support our community the best we possibly can.

Yours faithfully
