

Beauchamps High School

Business and Enterprise
Centre of Excellence for Learning

23 March 2020

Dear Parent/Carer

Firstly, I would like to thank you for your continued support over the past few weeks, it really is appreciated.

I write to give you a brief update. Today we had a small number of children in school, mainly children whose parents are in front line professions in the fight against Covid 19 and that were unable to make alternative arrangements with childcare. The children and staff on site are in good spirits and are engaging in a variety of fun activities and lessons.

The school is being staffed using a rota system to minimise the numbers in school at any one time in an aim to reduce the risk of spreading the virus. To enable us to plan this for the week ahead, we will be sending a similar survey to the one I sent last week to all parents each Thursday. Please only send this back to us if you are intending to send your child to school the following week, in line with the criteria that I sent you on last Friday.

Most staff are currently working from home, and this work includes updating our online provision so that your child can continue to use our online provision as the basis of their learning in the coming weeks.

I am beginning to get more information about how the Year 11 and Year 13 exam results will be determined. The link below gives some clarification. As I get further news, I will of course keep you updated. However, it should be noted, that is it likely that if your child is not happy with the result that is issued, he/she will be able to sit an actual exam later in the Autumn, so I recommend that Year 11 and Year 13 students continue with their studies using the online materials we have set up.

Again many thanks for your ongoing support.

Yours faithfully

Mr M Harper
