Name: _____

Hand this completed booklet to your drama teacher in September to earn your merits. You can print this booklet off or recreate the pages yourself by hand.

Introduction

Firstly, hello and welcome to Drama at Beauchamps. Throughout your first year here, you will learn and master a variety of skills to help you perform and direct your own performance work. You will work in groups and individually and will be able to respond to practical work both verbally and in written form.

This booklet is designed for you to work through, you might need to visit the library or find information online to help you complete the sections. Some of the tasks will ask you to write, some to draw and all to use your imagination!

We aim to develop your confidence in all areas of your school life and hope you use the skills you will learn with us to help you in other subjects across the school and outside.

So let's get started! You can choose to complete the tasks in any order, remember it's not a race to finish, take your time, keep your presentation tidy and showcase your imagination!

This image shows a sheet of white paper with a decorative border. The border is composed of a repeating pattern of small, stylized floral or geometric motifs. The central area of the page is filled with horizontal lines, creating a ruled or lined paper effect. There are 20 horizontal lines in total, spaced evenly down the page. The lines are solid black and extend across the width of the page, leaving a small margin from the left and right edges.
