# Task

## Things to consider

- You are currently living through history right now, think about all the things you have been up to
- This booklet is a good way to document memories of this unique and unusual time
- You don't have to complete every page but choose the ones you want to
- You don't have to print it all off, you can recreate your own versions of the pages by hand if you want to

# Want your merits?

- Hand your completed booklets/pages to Mrs Hampton or Miss Bailey when you arrive in September
- Merits will be recorded and added to your Edulink account when you join us in September

Good luck!
