

Beauchamps High School

Business and Enterprise
Centre of Excellence for Learning

12 March 2021

Dear Parent/Carer

After so many weeks of remote home learning, it has been simply fantastic to welcome everyone back to Beauchamps this week. It has been lovely to see so many happy faces, students and staff, enjoying being back at school. Everyone has settled back into the new routines and quality teaching and learning in the classroom has quickly resumed.

The Covid Lateral Flow testing programme has gone incredibly well. The students have been brilliant and should all be congratulated on how well they have conducted themselves this week. All students will receive a second and third test in school next week. After this point, students should be testing at home, test kits will be distributed to students next Thursday or Friday. It is essential that the students take care of these and ensure that the test kit gets home safely. Instructions on how to conduct the test will be enclosed in the kit, but students would have done three tests by this point so should be comfortable to self-administer the test. If you have any concerns about home testing please contact your relevant year leader.

Can I please remind you that we still have our staggered school day. Unfortunately, this week many students have arrived too early and this has caused some issues at the front gates with keeping year group bubbles apart. Students should arrive at the following times:

- Year 7 – 8.30am
- Year 8 – 8.40am
- Year 9 – 8.50am
- Year 10 and 11 – 9.50am
- Year 12 and 13 – 9.30am

Can I also please ask for your support in ensuring students make their way to and from school in a sensible, Covid secure way, so that they are best protecting themselves, your households and the wider community.

It really has been a great return to school and I sincerely thank you for your role in making that possible.

Yours faithfully

Mat Harper
